CARRER OBJECTIVE

A highly motivated and detail-driven Shipping, Logistics & Operations Professional with strong experience in supply chain coordination, dispatch planning, documentation support, domestic logistics, and warehouse operations. Known for maintaining smooth processes, solving operational issues quickly, and ensuring timely movement of shipments. I bring a strong work ethic, disciplined approach, and excellent communication skills while working closely with transporters, warehouse teams, clients, and internal departments. I am now seeking a challenging role in Shipping, Import–Export, Freight Forwarding, or Logistics Operations, where I can combine my operational understanding with my ability to streamline processes and support business growth.
