Subject: Termination, Experience & Full and Final Settlement Letter

Dear Aditya,

This is to certify that Mr. Aditya Vishvakarma was employed with Harifly Technologies Private Limited from 17 August 2025 to 05 November 2025 as a PHP Laravel Developer in the Development Department.

During his tenure, he carried out his responsibilities with sincerity, dedication, and professionalism. His behavior and cooperation with the team and management were satisfactory.

At the time of joining, his salary was ₹20,000 per month. Based on his performance and contribution, the company increased his salary to ₹45,000 per month effective from November 2025.

However, due to a change in the company's technology stack, Harifly Technologies has switched to new technologies and discontinued PHP Laravel-based projects. As a result, the company is unable to continue PHP Laravel development, and therefore, his employment stands terminated effective 05 November 2025.

This decision is purely based on business and technology transition reasons and does not reflect on his performance or conduct.

As per company policy, his Full and Final Settlement, including salary up to the last working day, leave encashment, and other eligible dues, will be processed within 45 days from the termination date after completion of all formalities. The payment will be made partly through Online Transfer and partly in Cash, as per company process.

We confirm that Mr. Aditya Vishvakarma has been fully relieved from his duties effective 05 November 2025. We appreciate his valuable contribution during his tenure and wish him success in his future career.

To: Harifly Technologies Pvt. Ltd.
Attn: Mr. Ajeet Kumar, Director
Email: info@harifly.com

Dear Mr. Ajeet Kumar,

This is with reference to my pending salary dues for the period October 2025 to January 2026, as well as the Full and Final settlement, which remain unpaid despite repeated reminders.

I wish to formally place on record the following facts:

I was employed with Harifly Technologies Pvt. Ltd. as a PHP/Laravel Developer, and my salary was increased to ₹45,000 per month effective November 2025 based on performance.

Despite completing all my professional responsibilities diligently, my salary for October 2025, November 2025, December 2025, and January 2026 has not been credited.

The delay in payment has caused me serious financial hardship, including pending PG rent (₹7,000) and my sister's education fees (₹19,500), due on 20 January 2026.

I have raised this issue multiple times via email, which are on record, yet no immediate resolution was provided.

On 21 January 2026, the Company issued a notice of temporary office closure and proposed instalment-based payment, with full settlement by 31 March 2026. I note this plan, but the delayed instalment-based payment does not address urgent statutory obligations and causes ongoing financial distress.

Accordingly, I hereby demand the following, failing which I will be compelled to take appropriate legal action under applicable labour laws:

Immediate release of full pending salary for October 2025 – January 2026 without further delay.

Immediate initiation of Full and Final settlement, including leave encashment and any other dues owed to me.

Written confirmation of the above, including date of immediate payment, by 28 January 2026.

Please note, if the Company fails to comply with this notice, I will have no alternative but to:

Approach the Labour Commissioner / appropriate statutory authority for recovery of my earned wages.

Initiate legal proceedings for pending salary, damages due to financial hardship, and statutory penalties under applicable Central labour laws and Delhi regulations.

This notice is being sent in good faith and without prejudice to my rights, and I sincerely hope the matter will be resolved amicably and promptly.

I request your immediate action and written confirmation of compliance.

Yours sincerely,
Aditya Vishvakarma

12/02/2026	I respectfully submit this reminder regarding Grievance Nos. MOLBR/E/2026/0015381 and MOLBR/E/2026/0020335 against Harifly Technologies Private Limited for non payment of my earned wages. Despite repeated complaints, the employer

has neither released my pending salary for October 2025 to January 2026 nor provided any response. Even the assurance of payment by 05/02/2026 was not honoured and no amount has been credited.

On 07/01/2026, when I requested my salary, Director Mr. Ajeet Kumar stated on WhatsApp "Tum bhi FIR kar do, andar sukun to milega hame" which amounts to intimidation and mental harassment. On 13/01/2026, when I informed him about my urgent financial obligations, he dismissively replied "Vo khud kar le". Such statements caused severe mental stress and demonstrate irresponsible and coercive conduct.

The deliberate withholding of earned wages along with threatening statements is a violation of the Payment of Wages Act 1936 and applicable labour laws.

I request urgent intervention, issuance of notice, and immediate direction for payment of my full pending wages along with appropriate relief as per law.

I am ready to submit all supporting evidence including WhatsApp messages and emails.

20/02/2026

respectfully submit this urgent reminder regarding my grievance dated 21/01/2026 concerning non-payment of my earned wages by Harifly Technologies Pvt. Ltd.

Despite my earlier reminder dated 12/02/2026 and my personal visits to the Labour Office, no effective action or resolution has been provided till date. As time is continuously passing, my financial condition is worsening and I am still deprived of my salary for October 2025, November 2025, December 2025, and January 2026.

I filed offline complaints on 03/02/2026 and 17/02/2026, and on 24/02/2026 the matter was marked to Inspector Mr. Yash Pal. However, no conciliation proceedings,

inspection, or recovery action has been initiated so far.

The employer has vacated the office premises and is deliberately avoiding communication and legal responsibility. Although payment was assured by 05/02/2026 through email, the assurance was not honoured. No payment has been made till date.

The continued delay is causing severe financial hardship and mental distress. I am unable to manage my basic living expenses due to the prolonged non-payment of my lawful wages.

I therefore humbly request immediate intervention and initiation of recovery proceedings, including ex-parte action if the employer fails to appear, to ensure prompt recovery of my full pending wages along with relief as per law.

I am ready to provide all supporting documents and evidence as required.

Kumar, responsible for salary payment. Mr. MD Kamar Raza, friend of Mr. Ajeet Kumar, Mobile No. 8434781986, knows the employer location in Patna. Mr. Ajeet Kumar can be contacted at 7250939049 and 776682010. Despite this, the company has avoided communication.

Due to continuous non payment of wages and threatening statements, I am facing extreme mental harassment and financial hardship. These acts violate the Payment of Wages Act, 1936. I request the Labour Department to direct the employer to release my full pending salary with appropriate relief. I am ready to submit all supporting evidence.

20/02/2026	I respectfully submit that I have already filed an offline complaint before the Labour Court on 17/02/2026 regarding non-payment of my wages. When I visited the office again on 24/02/2026, the next date of hearing was given and the matter has been marked to Inspector Mr. Yash Pal for further action. Earlier, on 03/02/2026, I had also submitted an offline complaint as no effective action was taken on my online grievance. Till date, no conciliation proceedings or formal action have been initiated under the online complaint. The employer, Harifly Technologies Pvt. Ltd.,

has vacated the office premises and is avoiding communication. Although the Director had assured through email that payment would be made by 05/02/2026, no payment has been released. When I tried to contact him, he read my messages but deliberately did not respond. He has admitted his liability to pay but has intentionally withheld my earned wages.

Despite repeated follow-ups, no amount has been credited to my account. The continuous delay, avoidance, and non-payment of wages have caused severe financial hardship and mental distress.

I request urgent intervention, inspection, and necessary legal action against the employer to ensure immediate recovery and payment of my full pending salary along with appropriate relief as per law.

Directors Mr. Ajeet Kumar & Mr. Sujit Kumar issued threatening messages ("Tum bhi FIR kar do, andar sukun to milega hame") and ignored urgent financial obligations (PG rent ₹7,000 sister's fees ₹19,500). On 21/01/2026, office temporarily closed instalment-based payment proposed office location (Flat No. B3, DDA LIG Arunodaya Apartment, Dwarka, New Delhi) is now closed calls/messages unanswered no investigation conducted. Procedural delays: Online grievances MOLBR/E/2026/0015381 & MOLBR/E/2026/0020335 remain unresolved. Offline complaints filed on 03/02/2026 & 17/02/2026 hearings repeatedly delayed (24/02 → 26/02 → 18/03). Inspector Mr. Yash Pal delayed proceedings online case wrongly closed on 25/02/2026 without payment. Employer's conduct violates Payment of Wages Act 1936, Industrial Disputes Act 1947, and Delhi Shops & Establishments Act. I have lost faith in the system and do not believe I will receive justice or any solution through normal channels. I request urgent intervention: reopen grievance, issue statutory notice, initiate recovery & conciliation, ensure full pending salary with	

interest, and take action for harassment and non-compliance. I am ready to submit all evidence including emails, WhatsApp messages, and salary proofs.
